Dear Teddy and Monica,

It is with great pleasure and confidence I recommend the services of Global Background Screening. Harvard has been a loyal customer of Global on a nationwide basis since 2008.

As a janitorial and security service provider whereby our employees are entrusted in our Clients work space, it is imperative our employees are thoroughly screened. Harvard's reputation and Client relationship is based largely on trust in our employees. You can see we would require background screening services that are precise and timely.

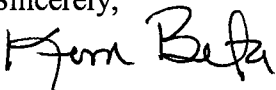

Some of the benefits Harvard has experienced since moving to Global are the following:

- Decreased cost on average per new hire
- Decreased turn-around time per entry
- Web based efficiency
- Efficient invoicing based on Harvard's job coding saving time and resources
- Availability of both bundled services as well as individual services based on client contract

This highlights just a few of the rewards Harvard has enjoyed while utilizing the services of Global. I also must add that Teddy and Monica are intimately involved in the practice and answer our questions with speed and professional courtesy every time.

I greatly value the service I receive from Global Background Screening and will continue to recommend their services to professional colleagues.

Sincerely,

Kim Beta
Director of Human Resources
