Dear Ms. Roman,

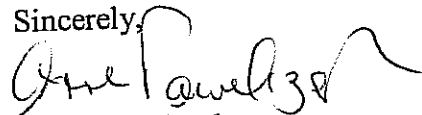

It is without hesitation that I recommend Global Security and Investigative Services on behalf of Sterling Equities and the New York Mets Organizations. We have had a longstanding relationship with Global and have always been satisfied with their services. The results of their background investigations are crucial in facilitating our staffing needs. We rely on the consistency, accuracy and speed of their results without reservation. To date we have never been let down.

Global has always been responsive to our needs and has helped us in situations where time and information has been limited. They are a very professional group and provide unmatched customer service. All reports are presented in a very professional and discreet package.

I recommend Global Security and Investigative Services and believe that by choosing Global you will have made an excellent decision.

Should you have any questions, please feel free to contact me at (516) 504-2189.

Sincerely,

Anne Pawelczak
